# **Angela Fredrick's Biography**

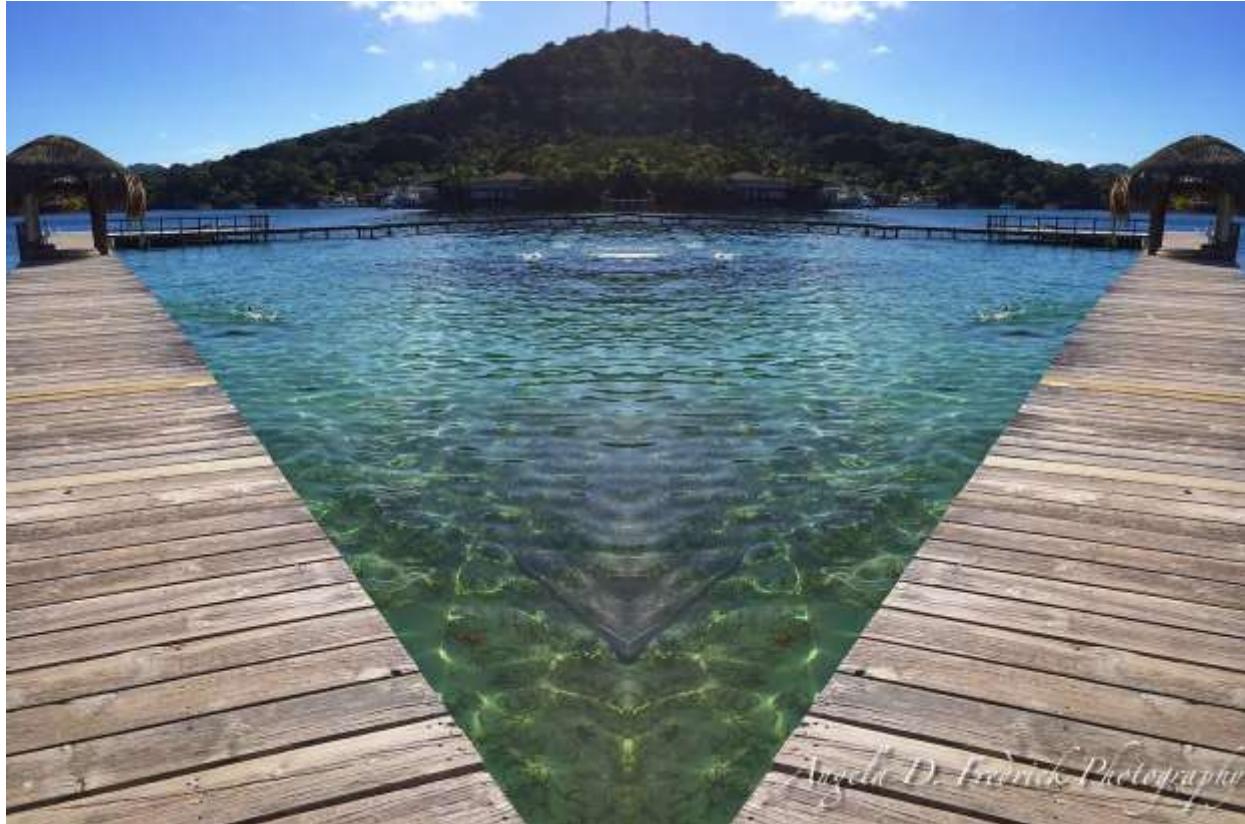

Angela was born in Tampa, Florida and is 18 years old. She loves traveling, reading, and has had a strong passion for photography. It started little before 2015, when her parents bought her very first professional Nikon Camera. Since then, she has been photographing anything that catches her eye especially: landscapes, food, and anything close up.

Friends that make time fly

Frame the view

Not as good as a shadow

A photograph of a sunset over a calm body of water, likely a lake or river. The sun is low on the horizon, casting a warm orange glow across the sky and reflecting off the water. In the foreground, there's a dark, silhouetted structure, possibly a bridge or a series of buildings. On the right side, the dark silhouette of trees is visible against the bright sky.

Commit your way to

the Lord; trust in

him & he will act.
